Block Foundations of Financial Management is a proven and successful text recognized for its excellent writing style and step-by-step explanations that make the content relevant and easy to understand. The text's approach focuses on the "nuts and bolts" of finance with clear and thorough treatment of concepts and applications. Block provides a strong review of accounting and early coverage of working capital (or short term) financial management before covering the Time Value of Money. Foundations of Financial Management is committed to making finance accessible to students. This text has stood the test of time due to the
