Lesson 15 – Holey Moley. jena23chemistry ♦ November 8, 2012 ♦ 2 Comments. In this lesson we learned how to create a solution with a certain molarity as well as how to relate mass, moles and volume. We learned that you need some information in order to solve a characteristic of a solution. For example, you can calculate the amount of solid in grams needed to create a solution of a particular molarity by using the molar mass of the solid.

How it works. Each Holy Moly lesson is divided into four equally important parts: Discover – Introduce kids to the Bible story characters and begin to discover the story by watching an animated Bible story video; Relate – Discuss what surprised them, what makes them wonder, and how they feel about the story they just saw; Connect – Open Bibles and explore the day's story
