find a blend of comfort and professionalism. One of the perks of working from home includes working in your pajamas, but sometimes creating a more polished space improves productivity. A comfortable chair, a clean desk clear of clutter, lots of natural lighting, and organizational tools like calendars and whiteboards are the hallmarks of a good home office – whether in a separate room or a cozy corner.

space. This out-of-the-way area is perfect for a slightly messier desk. 11 of 23

20 Ways to Create a Home Office Space | Midwest Living

So, home is the one place where we can be off duty.' In the end, if you want your home to make you happy, it's not necessarily about hiring an architect or investing in the show-off designer art and gadgets that you covet. It's simply about your living space reflecting the essence of the person you are.

home | Psychologies

Create a separate storage or archival area, if needed. Set aside another area in your attic, basement or a closet or space in another area of the house if space does not permit you to keep all of your files or supplies in your home office. Minimize the amount of space needed for paper storage by scanning documents and records to your computer.
